August 30, 2009

Dear Prospective Pinnacle Silent Auction Supporter:

The Houston Citizens Chamber of Commerce (HCCC) is proud to announce the 15th Annual African American Business Achievement Pinnacle Awards to be held on Friday, October 16, 2009, at the Intercontinental Hotel. A black-tie event, the Pinnacle Awards Gala is Houston's most prestigious affair recognizing achievement in African American small business. HCCC is Houston's longest standing chamber of commerce.

We humbly request a silent auction donation. Silent auction proceeds will help HCCC to continue offering seminars, economic empowerment and business development programs, college scholarships to youths and other services to the community. All companies/organizations donating items will be recognized in the gala program, event Web site, and in the advertisement and marketing.

Since 1935, HCCC has represented the business interests of and promoted greater unity among the African-American business community. Today, HCCC is evolving its programs to assist African-American businesses to become more diverse and move into the global arena.

The Pinnacle Awards spotlight and honor African-American businesses that have achieved success by combining vision, determination, commitment, perseverance and dedication to building strong communities.

Past winners have been architectural firms, financial planners, healthcare providers, restaurateurs, insurance companies, investment firms, EMS companies, oil and gas companies and others from numerous business sectors.

Attached is a donation form for your convenience. For further information on the silent auction or to arrange pick up of donated items, please feel free to contact me at 713.522.9745 or president@hccoc.org.

Thanks in advance,

Eric Lyons
President & CEO
Houston Citizens Chamber of Commerce
